

Responsible Choices

Character Education Quickies

Time: 5-8 minutes

Materials: None

Three fifth graders stay after school for Tutoring. As they walk by the main office they find a five-dollar bill crumpled up on the floor. What should they do?

Use the Take 5 Questions to help you decide.

KEEP THE MONEY or TURN IT IN TO THE OFFICE?

Discuss each option using the following questions:

1. Do I have all the facts?
2. What could happen if I do this?
3. Will this hurt myself or others?
4. Is this the right and responsible thing to do?
5. Will this make my family and me proud?

Can your choice pass the Phone Call Test? Can you call your grandma and tell her what you did and would she be proud of you?
